

**CITY OF SAN DIEGO
COUNCILMEMBER DONNA FRYE
COUNCILMEMBER TODD GLORIA**

MEMORANDUM

DATE: April 22, 2010

TO: Mayor Jerry Sanders, Executive Director, Redevelopment Agency

FROM: Councilmember Donna Frye *Donna Frye*
Councilmember Todd Gloria *Todd Gloria*

SUBJECT: Local Hiring Policy and Prevailing Wage

The discussion of a *Local Hiring Policy* during a recent Rules Committee meeting raised questions about prevailing-wage requirements. Apparently, documentation required on prevailing-wage jobs would aid in monitoring local hiring:

- 1) What percentage of fiscal year 2009 and 2010 Redevelopment Agency projects require the payment of prevailing wages? Please identify those projects.
- 2) What steps does the Redevelopment Agency take to monitor compliance with prevailing wage requirements?
- 3) Which and how many staff positions are currently designated to monitor compliance?
- 4) What violations, penalties or fines, if any, have been identified in fiscal years 2009 and 2010, to date?

Thank you for your immediate attention.
